

Why we go the extra mile for safety.

Assure your success with a confident choice.

The C.E. White Quasi-Static Seat from HSM Transportation Solutions

We've earned the reputation for having *Safer Seats for the Road* by consistently manufacturing superior products that comply with local, state and national standards.

Our product line, including the Quasi-Static Seat with three point belts and over 15" aisle space at the hip, while maintaining a 12" aisle at the cushion, allows for zero loss of occupancy and easier emergency egress.
