

Safety first.

And second...and third...and...

The C.E. White Child Restraint Seat (CR) from HSM Transportation Solutions

We've earned the reputation for having *Safer Seats for the Road* by consistently manufacturing superior products that comply with local, state and national standards.

With a 13.5" wide insert, our Child Restraint seat allows children from 20–90 lbs. to sit comfortably and safely. The seat design gives you safety and versatility that is unequalled in the school bus industry.

The C.E. White Child Restraint Seat.

Largest insert in the industry.

Rated for children 20–90 lbs.

Two-piece fold under insert pad for “booster seat” style cushion

Insert and complete belt assembly is easily removable for maintenance or replacement by removing 4 nuts on the front of the insert without having to unfasten or remove the cover or foam

Thinner back allows for emergency egress with over 15" of aisle space at the hip level

Complies with FMVSS 222 upgrade surface area and seat cushion retention

Two separate shoulder belt adjustment slots allows shoulder belt to be adjusted higher for taller children and lower for shorter children

Meets all applicable FMVSS and CMVSS standards.

Available in 26", 30", 36", 39" and 45" sizes.

Child Restraint Insert removal in 4 easy steps.

1 Open the front insert flap and remove seat pad.

2 Locate and remove 2 nuts located in the middle of panel bottom.

3 Locate and remove 2 nuts on each top corner of insert.

4 Lift out insert and belts as a complete unit

(For re-installation reverse procedure.)
